Instructions for Amendment to Application Revised 05/2014

This form is to be used if this if you have a pending, previously submitted application for admission to the Tennessee bar, regardless of type of application, and you have supplemental, new or different information to report, other than a personal address or phone number change which is done in your system profile. The answers to all questions must be completed. Failure to be completely candid may result in denial of eligibility to sit for the examination and/or certification of eligibility for licensing. If there is any doubt about how to answer a question, you should answer to the best of your ability and explain the concern in the space provided.

It is your responsibility to keep your personal profile current with correct mailing and email addresses and telephone numbers. The Tennessee Board of Law Examiners (TBLE) uses this information to contact you. Changes in your information such as mailing address and phone number can be made in your profile (My Profile Page). Please keep this information up to date.

Complete instructions for amending the application for admission to the Tennessee Bar may be found at www.tn.gov/lawexaminers. Click the "How to Apply" tab in the left column and choose the appropriate application type from the list.

When providing additional information to supplement answers, give information in the same manner as called for in the original NCBE or TN Supplemental application. Upload this form and any attachments by saving the document as a .pdf and clicking the paperclip next to "Applicant Additional Documentation as Requested" under the "Related Items" tab. After submitting your application, you will find a "Details" link next to this application in your profile. There you will find the "Related Items" tab, which will provide you an upload link.

If you wish to request non-standard testing, you must complete the Non-Standard Testing Application available from the Dashboard (main screen) of your account, and include a current (within 90 days) supporting report from your treating physician and/or psychologist. A new form must be submitted each time you apply to test with updated supporting documentation. Non-standard testing arrangements will be determined only by what is requested on this current questionnaire and may result in a change in testing location.

Amendment to Application

Applicants to the Bar of Tennessee are responsible for ensuring that all documents are submitted to the TBLE in a timely manner. Applicants may be notified by the Board that there is a deficiency in the file; however, such notification is a courtesy. Failure of the Board to notify an applicant of a deficiency does not entitle the Applicant to an extension of time to submit the required documentation.
